### Our school initiatives are showing substantial progress toward our targets

After reviewing our 2016 *Investing for Success* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- Develop a Whole School Writing Framework that provides consistencies in teacher language and strategies.
- Provide focused and intensive teaching for students requiring additional support to demonstrate achievement against the year-level achievement standards.
- Differentiate students for small group targeted instruction of English and Mathematics.
